

**Karnataka State Remote Sensing Applications Centre**  
**Department of Personnel and Administrative Reforms (e-Governance), GoK**

**Functions and Executives**

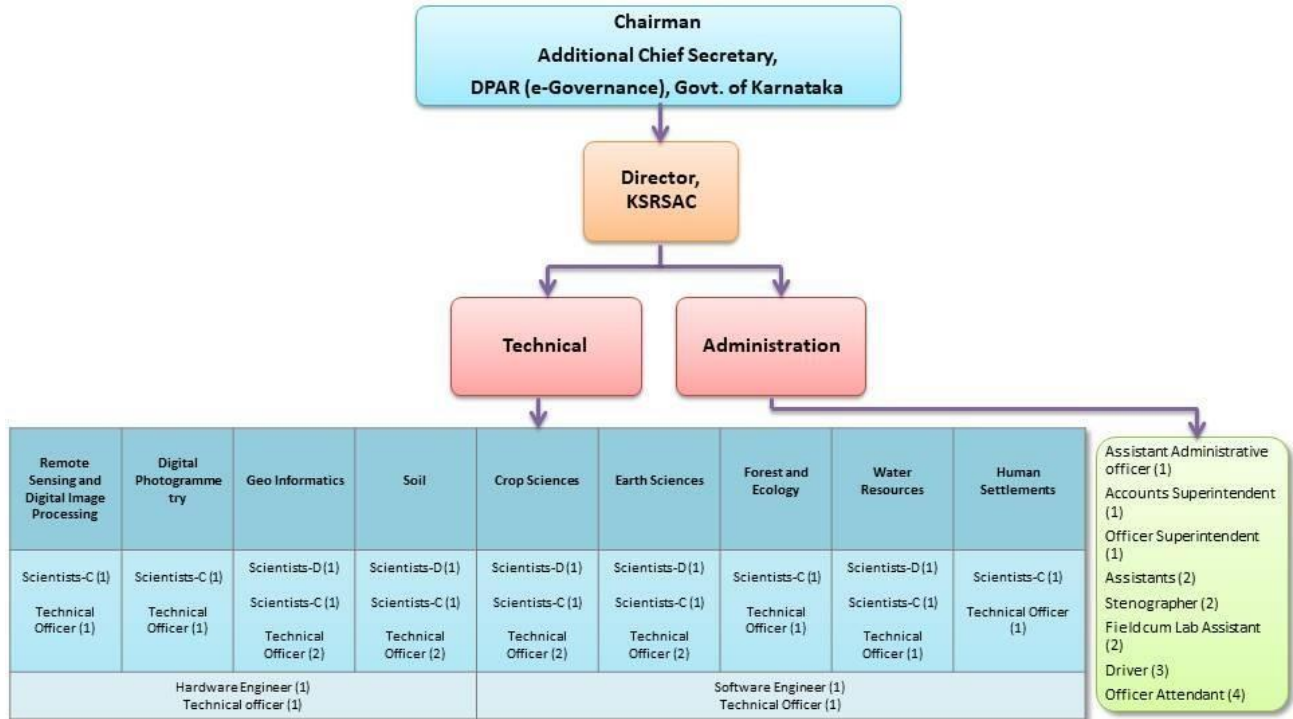

**Activities**

The Karnataka State Remote Sensing Applications Centre (KRSAC) was established in the year 1986 and designated as the Nodal Agency for implementation of Remote Sensing (including Photogrammetry) and GIS programmes in the State vide Government Order No. ITD 28 MIS 2002, Bangalore dated 06.08.2002. The order further states "The Nodal Agency will be the repository of the information/data/maps collected by the Centre or by any Government Department, Statutory Board or any undertaking through GIS and Remote Sensing. The nodal agency will create GIS on base maps and general/common features and provide full services on Remote Sensing and GIS to all the Line Departments. The Line Departments shall consult the KRSAC before taking up work of updating the GIS data and customization of GIS applications. The updated data is to be transferred to the custody of the Nodal Agency as and when such work is taken up. The nodal agency will work out the planning/architecture of Remote Sensing and GIS implementation/ feasibility for new proposals/coding/standardization/training as well as to organize periodic workshops to bring more interaction and co-ordination among the Line Departments. Since then, the KRSAC has been co-ordinating with and providing required GIS information/maps and training to the Line Departments.

## 4.1(b) (i) Structure, Duties and Responsibilities

### Structure

#### KRSAC ORGANIZATIONAL STRUCTURE

The posts mentioned in the cadre strength of C & R have not been filled up by direct recruitment.

Among the permanent staff of the Centre only two officers are working on permanent basis and Scientist & Assistant Administrative Officer are working on deputation. Technical and non-technical staffs are working on project mode and contract basis for a specific period under various projects. The posts re-designated are mentioned above.

### **Duties / Responsibilities are as follows:**

1. To act as the nodal agency in the state for all Remote Sensing and GIS activities,
2. To assist user departments / organizations / agencies in the implementation of remote sensing survey results and to evaluate their utility,
3. To develop an efficient data acquisition and retrieval system and to act as repository (data bank) of various natural resources data relating to remote sensing applications of relevance to the State,
4. To assess the remote sensing application needs of various departments and developmental sectors of the state and to coordinate the remotely sensed data requirements of the state,
5. To establish, maintain and provide for use by various departments / organizations / agencies in the state, the centralized visual as well as digital remote sensing data analysis / interpretation facilities,
6. To acquire and maintain a library of relevant remotely sensed data for the state of Karnataka,
7. To assist and provide consultancy services to user departments / agencies in applications areas, selection and procurement of data products, devising appropriate methodologies for execution of projects etc,
8. To undertake and co-ordinate short and long term remote sensing surveys/ application projects in various resources / developmental areas,
9. To interact, liaise, co-operate and collaborate with the Indian Space Research Organization, Dept. of Space, Govt. of India and its sister institutes besides other National and International Organizations in the field of remote sensing and allied disciplines,
10. To organize training programmes, lectures, seminars, workshops and symposia for promotion of remote sensing and GIS technology and its applications,
11. To bring awareness amongst the planners and decision makers on the role of remote sensing and GIS technology in efficient management of natural resources,

12. To publish and disseminate the results of remote sensing based investigations carried out by the Centre through annual reports, journal articles and other project reports,
13. To acquire and maintain a library of relevant thematic maps and ground truth data and
14. To undertake, promote, guide, coordinate and aid research and development in the field of remote sensing and GIS.

#### **4.1 (b)(ii) Powers and Duties of Officers / Staff**

**Attender:** To keep all the tables, chairs, computer and other equipments clean and tidy in all the chambers of the office.

**Driver:** Driver shall drive the vehicles for the specific projects on field work and rest of the period shall work as driver at the Centre.

**Typist:** Should submit the typed notes and correspondences of the section neatly.

**Assistant Executives:** Should submit the project related letters and put-up for orders.

**Administrative and Financial Executives:** Scrutinize all letters pertaining to the accounts section and put-up for orders.

**Personal Assistant:** Attending the phone calls received in the personal section by giving suitable reply / information for the concerned and recording day to day programmes like meeting, conferences, visit of dignitaries, visit of departmental heads etc.

**Stenographer:** Transcribe and type the dictation given by superior officers.

**Group Head, Team Lead and Specialist:** To complete the technical and related works assigned by the Director and the Scientists within the scheduled time (The details can be seen in Annexure - A).

**Project Director:** To complete the technical and related works assigned by the Director within the scheduled time limit (The details can be seen in Annexure - A).

**Assistant Administrative Officer:** Examining the proposals submitted by Assistant Executives and Administrative & financial Executive and submit with suitable recommendation for orders.

**Scientists:** Preparing the project proposals for related departments and submit the same through Director for approval and execution.

**Director:** Discharging the duties as head of the organisation and examining the project proposals submitted by scientists and have discussions with concerned departmental heads to finalize the proposals, recording the orders on files submitted by Scientist and Assistant Administrative Officer with overall supervision of the office. Execute the powers delegated in the MoU and By-Laws and also on the decision of the Executive Committee.

#### **4.1 (b)(iii) Powers and Duties of Officers / Staff**

**Project Director:** To periodically review the technical works carried out by group head, team head, scientific officers, senior specialist and task resource personnel and examine the hardware and software requirements submitted by the technical staff and submit the purchase proposals to the director for approval.

**Assistant Administrative Officer:** To periodically scrutinize the works carried out by the assistant executives, administrative and financial executives and also to scrutinize the files submitted by them regarding the purchase of hardware, software and stationery requirements and to submit the same to the director for orders after indicating the procedures to be followed for their purchase.

**Scientist:** Apart from the proposals submitted by the technical staff, the proposals in consultation with different departments and their progress have to be submitted to the director for suitable orders. They should also fix the dates for meetings if necessary in consultation with the departmental heads and to carry out overall supervision of projects implemented under their control.

**Director:** To examine in detail the files submitted by the scientists and officers of the Centre and pass suitable orders and in case of requirement

of an approval by the chairman of the Centre, appropriate notings to be made in the file and submitted to the chairman. Under circumstances where decisions have to be taken by the director himself, he can consult the departmental authorities telephonically or through correspondence and take appropriate decisions.

**4.1 (b)(iv) procedures to be followed while undertaking supervision, responsibility and decisions making :**

**Attender:** The assigned work must be completed on the same day.

**Assistant Executives:** Review the files / letters received in the section shall submit these within 5 days.

**Administrative and financial Executives:** Review the files / letters received in the section and shall submit them within 5 days.

**Group Head, Team Lead and Specialist:** Technical staff shall complete their assigned task within scheduled time.

**Driver:** Drivers shall drive the vehicle for the specific field work of projects and rest of the period shall work as driver at the Centre.

**Assistant Administrative Officer:** Cases to be examined on priority basis.

**Scientist:** Cases to be examined on priority basis and work shall be completed within the scheduled time.

**Director:** Orders to be passed on priority basis.

**4.1 (b)(v) To have the control over officers/ officials; the rules regulations, instructions, manuals and records to be followed**

- |   |  |
|---|--|
| 1. Officers / Officials working on deputation basis in the Centre | Karnataka Civil Services Rules and notification and instructions issued by Parent department and also rules framed under MoU and By-Law. |
| 2 Contract Employees  | Terms and conditions specified in the contract appointment and general directions issued by the Centre on contract appointment           |

**4.1 (b)(vi) Statement of categories of documents that are held by it or under its control**

Since the Centre is functioning as a nodal agency, digital data base and maps (including aerial photography) prepared by using GIS and RS technologies will be provided on request from government departments and public institutions.

**4.1 (b)(vii) Representation by members of public in formation of policy or implementation thereof:**

The data generated by the Centre in defining and decision making is being used for useful purposes and the public have no role in formulation of policy and its implementation thereof.

**4.1 (b)(viii) Public participation in boards, councils, committees and other bodies for purpose of advice or accessibility to the minutes of such meetings**

No council or committee is formed in the center. In the case of Karnataka Public Procurement Act, committees will be set up in terms of purchasing any hardware, software, stationery and other items required by the Center. The general public will not be allowed to attend the meetings of the committee and the meeting proceedings will not be given to the public.

**4.1 (b) (ix) Contact Numbers of Officers / Staff**

<b>Sl. No.</b>	<b>Designation</b>	<b>Name</b>	<b>Telephone No.</b>	<b>Residential No.</b>	<b>Mobile No.</b>
1	Director	Dr. D. K. Prabhuraj	29720557	26323278	9448467575
2	Assistant Administrative Officer	Sri. Umesh T B	29720557		9886616284

The officers mentioned at sl. no. 1 and 2 are working on permanent basis and others are working on deputation.

**4.1 (b)(x) Monthly honorarium / salary of the each of the officers and also staff provided under rules**

Details can be seen at Annexure – B.

**4.1 (b) (xi) Amount provided in the budget during the FY 2021-22**

<b>Sl. No.</b>	<b>Particulars</b>	<b>Amount provided in the budget during the</b>	<b>Expenditure incurred during FY 2021-22</b>	<b>Balance</b>
1.	<b>KRSAC</b> <ul style="list-style-type: none"> <li>• KRSAC Staff Salary (Administrative Staff, Consultants and Regional Centres).</li> <li>• Regular/Operational Office Maintenance (including Regional Centres): Rent, electricity, water, telephone, internet, security, housekeeping, campus maintenance, printing, stationery, vehicle maintenance, fuel, insurance, repairs, service charge, maintenance of hardware &amp; software etc.,</li> <li>• M Tech Programme: Scholarship, faculty salary, travel and other promotional expenditure.</li> <li>• Seminar and Conference: Conducting/Participating in workshops, seminars, conference &amp; meetings.</li> </ul>	5,00,00,000	5,00,00,000	-
2.	<b>K-GIS</b> <ul style="list-style-type: none"> <li>• K-GIS staff salary, K-GIS portal &amp; application maintenance, updation, new development and Data updation/creation.</li> <li>• Travel and other promotional expenditure.</li> </ul>	5,00,00,000	4,70,84,353	29,15,647
<b>Total</b>		<b>10,00,00,000</b>	<b>9,70,84,353</b>	<b>29,15,647</b>

**4.1 (b)(xii) Particulars of grant in aid programmes and also details beneficiaries of the amount distributed**

Not applicable.

**4.1(b)(xiii) Details for securing authorized letters**

Not applicable.

**4.1 (b)(xiv) Details regarding the information in electronic media**

The activities of the Karnataka State Remote Sensing Applications Centre can be seen in this web site [www.karnataka.gov.in/ksrsac](http://www.karnataka.gov.in/ksrsac)

**4.1 (b)(xv) If the maintenance of library is their information regarding working hours and also facilities**

Not applicable.

**4.1 (b)(xvi) Name, designation and other details of Public Information Officers**

<b>A) Appellate Authority</b>	<b>B) Public Information Officer (Non-Technical)</b>
Dr. D. K. Prabhuraj, Director, KRSAC Ph. No. 29720557 Mobile No. 9448467575 Residence No. 26323278	Sri. Umesh T B Assistant Administrative Officer, KRSAC Ph. No. 29720557 Mobile No. 9886616284

**4.1 (b)(xvii) Updated information be published in each of the year**

Revised and updated as on 01-01-2018.

**Powers and Duties of K-GIS Mission**

Sl. No.	Name	Powers and Duties
1	Dr. D. K. Prabhuraj D K Mission Director	<ul style="list-style-type: none"> <li>❖ Overall Administrative, Technical and Financial responsibility</li> <li>❖ Follow up administrative actions of KRSAC Executive Committee, K-GIS Empowered Committee</li> <li>❖ Providing guidelines for management of restricted / secret data</li> <li>❖ Liaison with NRSC, NIC and other depts. of GoI</li> </ul>
2	Dr. Pradeep K Srivastava Advisor to KRSAC	<ul style="list-style-type: none"> <li>❖ Definition and monitoring of technical activities</li> <li>❖ Planning &amp; organizing K-GIS Technical Committee meetings</li> <li>❖ Follow up technical actions on suggestions / recommendations of K-GIS TC and K-GIS Empowered Committee.</li> <li>❖ Identification and introduction of new technology in geospatial domain</li> <li>❖ Definition of Citizen application</li> </ul>
3	Mr. Jayachandran M Project Director, K-GIS	<ul style="list-style-type: none"> <li>❖ Managing the execution of K-GIS mission</li> <li>❖ Program management for K-GIS               <ul style="list-style-type: none"> <li>○ Plan, Schedule and Status tracking and reporting</li> <li>○ Resource allocation</li> <li>○ Budget estimation</li> <li>○ Defining milestones and deliverables</li> <li>○ Preparation of technical inputs for procurement of imagery and other data sets</li> </ul> </li> </ul>

		<ul style="list-style-type: none"> <li>❖ Mission Assistance <ul style="list-style-type: none"> <li>○ Assisting Mission Director in periodic assessment of mission performance</li> <li>○ Organizing meeting with GoK depts. and finalization of proceeding / MoM</li> <li>○ Organizing workshop / events</li> <li>○ Promotional activities in terms of presentation and participation in training programs, workshops and conferences conducted by other departments</li> <li>○ Support in resource hiring and procurement process</li> </ul> </li> </ul>
4	Mr. Rajashekar A S Scientific Officer – KGIS Asset	<ul style="list-style-type: none"> <li>❖ Interaction with depts. dealing with public assets</li> <li>❖ Definition of additional GIS data layers as per departmental requirement</li> <li>❖ Preparation of Standard Operating Procedure document for data generation / organization</li> <li>❖ Collection and organization of GIS &amp; MIS data</li> <li>❖ DSS application requirements finalization with the depts.</li> <li>❖ Data generation / updation for assigned depts.</li> <li>❖ Internal Quality Check of data</li> <li>❖ Data validation in association with the dept.</li> <li>❖ Preparation of IQC report</li> <li>❖ Involvement in testing &amp; qualification of the application Handholding during operationalization of application in the dept.</li> </ul>

		<ul style="list-style-type: none"> <li>❖ K-GIS Data layers quality check</li> <li>❖ Preparation of quality report</li> <li>❖ Metadata creation for all K-GIS data</li> <li>❖ Maintaining &amp; delivery of quality assessed data to Database Management and Staging / Hosting team</li> <li>❖ Defining, supervising, monitoring, guiding job works and processes for team members</li> <li>❖ Periodic reporting and consultation with Group Head – Asset</li> </ul>
5	Dr. Lingadevaru D C Scientific Officer– KGIS Asset	<ul style="list-style-type: none"> <li>❖ Interaction with depts. dealing with Natural Resource data</li> <li>❖ Definition of additional GIS data layers as per departmental requirement</li> <li>❖ Preparation of Standard Operating Procedure document for data generation / organization</li> <li>❖ Collection and organization of GIS &amp; MISdata</li> <li>❖ DSS application requirements finalization with the depts.</li> <li>❖ Natural Resource data generation /update for assigned depts.</li> <li>❖ Internal Quality Check of data</li> <li>❖ Data validation in association with the dept.</li> <li>❖ Preparation of IQC report</li> <li>❖ Submission of data to quality check team</li> <li>❖ Involvement in testing &amp; qualification of the application</li> <li>❖ Handholding during operationalization of application</li> </ul>

		<p>in the dept.</p> <ul style="list-style-type: none"> <li>❖ Defining, supervising, monitoring, guiding job works and processes for team members</li> <li>❖ Periodic reporting and consultation with Group Head-Asset</li> </ul>
6	Mr. Nagoor Kani S Scientific Officer – KGIS Asset	<ul style="list-style-type: none"> <li>❖ Finalization of methodology generation of Spatial Framework (control network, elevation model, ortho image tiles for Cartosat – I and 0.5m resolution data set)</li> <li>❖ Report on spatial establishment for pilot area – BESCO framework</li> <li>❖ Preparation of Standard Operating Procedure for generation of framework layers based on stereo cartosat –I and 0.5 m imagery</li> <li>❖ Organization of all satellite images and data (original imagery, ortho image tiles, elevation model tiles, control data, triangulation data, etc.)</li> <li>❖ Analysis of procured data and preparation of image quality data</li> <li>❖ Planning of control points for spatial framework</li> <li>❖ Monitoring of ground survey for control network</li> <li>❖ K-GIS Spatial Framework establishment</li> <li>❖ Ortho satellite image product generation</li> <li>❖ Managing and organization of Satellite images of different resolution</li> <li>❖ Internal Quality Check of data</li> <li>❖ Preparation of IQC report</li> <li>❖ Submission of data to quality check team</li> </ul>

		<ul style="list-style-type: none"> <li>❖ Defining, supervising, monitoring guiding job works and processes for team members</li> <li>❖ Periodic reporting and consultation with Group Head – Asset</li> <li>❖ Regular maintenance of survey equipments</li> </ul>
7	Mr. Stanly Kumar Team Lead – IT	<ul style="list-style-type: none"> <li>❖ Preparation of IT Infrastructure design document</li> <li>❖ Preparation of technical inputs for TAP and other approving mechanisms</li> <li>❖ Initiation of procurement, installation and commissioning process</li> <li>❖ Server management</li> <li>❖ Network management</li> <li>❖ Data storage and backup</li> <li>❖ Computer &amp; peripherals maintenance</li> <li>❖ Data Centre Monitoring</li> <li>❖ Support for deployment and maintenance of K-GIS portal, applications and databases</li> <li>❖ Defining, supervising, monitoring, guiding job works and processes for team members</li> <li>❖ Periodic reporting and consultation with TO</li> </ul>
